Furious Third Round Mix-Up of Great Battle for Gold Medal Brings 5,000 Madison Square Garden Fistic Fans to Feet in Frenzy of Applause

By Jack Masters

The elimination of out-of-town boxers, sensational knockouts and numerous upsets were the outstanding features of the annual state amateur championships at Madison Square Garden last night. Five thousand, the largest crowd which ever witnessed a similar tournament in this city, saw the boys battle for gold medals.

The most popular victory of the sevening was that of Martin Smith, L. I. K, of C., who won the lightweight title, New State Champions formerly held by Archie Walker, now a professional, in a thrilling four-round fight with Ernie Seitz, Clark House

Seitz carried the fight to Smith in the first round, and, elthough both missed many blows that were tagged "out," the Clark House boy took the round by a shade. The second opened with a fusillade exchange in which both banged away at close quarters. A left smash to Seitz's face as they separated staggered him and he bled pro fusely. Both were tired at the bell. but it was Smith's round.

The third was one of the greatest exhibitions ever seen in any ring in a long while. Smashes that resounded through the huge amphitheater and furious battling which brought the crowd to a state of frenzy appeared to have no effect upon the contestants, who kept up the sizzling pace from

who kept up the sizzling pace from gong to gong.

Seitz's straight jabbed the famous Smith as if he were a novice, and they were no love taps, either, but every time Martin closed in he made the evening extremely unpleasant for the Clark House boy. It was such an even affair that the judges could not pick the winner, and another round was ordered. And Smith hammered his way to a championship when Seitz finally tired.

Raymond Murray, the juvenile champion from P. S. 10, Manhattan, had an easy time in winning the 220-yard race for schoolboys. Murray led his field from start to finish and won by fifteen yards. Incidentally, Murray covered the distance two and one-fifth seconds faster than Cypress.

Samuel Rein, of Stuyvesant, and Herman Goldberg, of P. S. 169, Manhattan, were the victors in the two other races contested. In one of the trial heats in the mile race, S. to bring every university into the one-year fold. This matter of having a student registered at college for a year before

he is eligible for a varsity team is one of the best regulations ever devised. Most of the commercialized players seek out only those institutions that permit them to get into action at once. The thought of a year lost to the limelight is repugnant to their souls.

So this rule should be made effective in every university that sends out a football team.

The Ancient Mariner Up to Date

It was an ancient Dempsey and he stoppeth one of three: "Oh, who is there in all the world to split a purse with me? Oh, who will hang a challenger upon my Christmas tree?

"About, about in reel and rout I've socked them on the chin, And now there's not a sucker left who has a chance to win, No one who has an outside chance to bring the money in.

"Fighters, fighters everywhere, but not a first-class guy Who'll stand and crack me on the chin or poke me in the eye, Or one who carries anything except an alibi.

"Year after year I've tracked their spoors until I'm bent and gray, But still they sourry out of reach beyond my right of way, And there is nothing I can do to bolster up my pay.'

It was an ancient Dempsey and he hobbled out of sight To sign up articles next day for some impending fight, The first of which was "I agree to amputate my right."

Harvard Eleven May Meet Pitt Team in 1922

Crimson Invites Panthers to Play at Cambridge if California Refuses Offer

CAMBRIDGE, Mass., Dec. 14 (By T) Associated Press) .- Harvard will invit University of Pittsburgh to meet the Crimson football team here on October 28 next year if University of Cali fornia is unable to accept that date. Announcement to this effect was made to-day by Major F. W. Moore, graduate manager of Harvard athletics.

Major Moore's statement followed his receipt of a telegram from Graduate Manager Nicholas of the University of California, asking:

"Will exchange games be possible, Harvard at Berkeley October 21 or 28, 1922; California at Cambridge in 1923, date to be arranged later?"

Harvard's answer to this proposal will be. Major Moore said, that no exchange of games with California is contemplated. The invitation to California, he said, was extended after overtures from California alumni, based on the statement that the Bears' trip to Cambridge would be in the nature of a return for Harvard's visit to California, when the Crimson defeated University of Oregon at Pasadena on New Year's Day, 1920.

Another trip by the Crimson across the country within the next few years was out of the question, the Harvard graduate athletic head said. The October 28 date next fall will be held for California until its final word is received.

PITTSBURGH, Dec. 14.—The University of Pittsburgh will be glad to accept the Harvard invitation for a football game with the Crimson on October 28 next if the University of California is unable to play in the East on that date, said Karl Davis, graduate manager of athletics, to-day.

"Our schedule is still in the making," said Mr. Davis, "and we have October 28 open. While the question will have to go before the athletic council, I am sure the matter could be closed in short order after the invitation reaches here."

BERKELEY, Calif., Dec. 14.—Whether the University of California will accept an invitation to play the Harvard football eleven at Cambridge October 28, 1922, will not be decided until the return here within a few days of Coach Andy Smith, now en route from the East, it was announced to-day by Luther A. Nichols, California graduate manager.
